BETWEEN THE REPUBLIC OF AUSTRIA AND MONGOLIA  
WITH RESPECT TO TAXES ON INCOME AND ON CAPITAL**

**General disclaimer on the Synthesised text document**

This document presents the synthesised text for the application of the Agreement between the Republic of Austria and Mongolia with respect to Taxes on Income and on Capital signed on 3 July 2003 (the “Agreement”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by the Republic of Austria on 7 June 2017 and by Mongolia on 6 October 2022 (the “MLI”).

The document was prepared on the basis of the MLI position of the Republic of Austria submitted to the Depositary upon ratification on 22 September 2017, as updated upon notification of extension of the list of agreements on 30 August 2023, and of Mongolia submitted to the Depositary upon ratification on 30 September 2024. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on this Agreement.

The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Agreement”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

EXEMPTIONS (*Option A*)**

Notwithstanding Article 5 of the Convention, the term “permanent establishment” shall be deemed not to include:

(a) the activities specifically listed in paragraph 4 of Article 5 of the Convention (prior to modification by the MLI) as activities deemed not to constitute a permanent establishment, whether or not that exception from permanent establishment status is contingent on the activity being of a preparatory or auxiliary character;

(b) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any activity not described in subparagraph (a);

(c) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs (a) and (b),

provided that such activity or, in the case of subparagraph c), the overall activity of the fixed place of business, is of a preparatory or auxiliary character.

(5) Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting in a Contracting State on behalf of an enterprise of the other Contracting State, that enterprise shall be deemed to have a permanent establishment in the first-mentioned State in respect of any activities which that person undertakes for the enterprise, if such a person has and habitually exercises in that State an authority to conclude contracts in the name of the enterprise unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

(6) An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

(7) The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

### **BUSINESS PROFITS**

(1) The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

(2) Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

(3) In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.

(4) Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

(5) No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

(6) For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

(7) Where profits include items of income which are dealt with separately in other Articles of this Convention, then the provisions of those Articles shall not be affected by the provisions of this Article.

(8) The term „profits“ as used in this Article includes the profits derived by any partner from his participation in a partnership and in any other body of persons which is treated in the same way for tax purposes, and in the case of Austria, from a participation in a sleeping partnership (Stille Gesellschaft) created under Austrian law.

- (2) Profits from the operation of boats engaged in inland waterways transport shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.
- (3) If the place of effective management of a shipping enterprise or of an inland waterways transport enterprise is aboard a ship or boat, then it shall be deemed to be situated in the Contracting State in which the home harbour of the ship or boat is situated, or, if there is no such home harbour, in the Contracting State of which the operator of the ship or boat is a resident.
- (4) The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

### **Article 9**

#### **ASSOCIATED ENTERPRISES**

- (1) Where

- a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

- (2) Where a Contracting State includes in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Convention and the competent authorities of the Contracting States shall if necessary consult each other.

### **Article 10**

#### **DIVIDENDS**

- (1) Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but the tax so charged shall not exceed

- a) 5 per cent of the gross amount of the dividends if the recipient is a company (excluding partnerships) which owns directly at least 10 per cent of the capital of the company paying the dividends;

b) in all other cases, 10 per cent of the gross amount of the dividends  
if the recipient is the beneficial owner of the dividends.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

(2) The term „dividends“ as used in this Article means income from shares, „jouissance“ shares or „jouissance“ rights, mining shares, founders' shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

(3) The provisions of paragraph 1 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(4) Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

(5) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(6) Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(7) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

## **Article 12**

### **ROYALTIES**

(1) Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such royalties may also be taxed in the Contracting State in which they arise and in accordance with the laws of that State, but if the recipient is the beneficial owner of the royalties the tax so charged shall not exceed 10 per cent of the gross amount of the royalties in the meaning of paragraph 4 subparagraph a) of this Article.

(3) However, such royalties may also be taxed in the Contracting State in which they arise and in accordance with the laws of that State, but if the recipient is the beneficial owner of the royalties the tax so charged shall not exceed 5 per cent of the gross amount of the royalties in the meaning of paragraph 4 subparagraph b) of this Article.

In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(6) Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision or local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(7) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

a) Where a resident of Austria derives income or owns capital which, in accordance with the provisions of this Convention, may be taxed in Mongolia, Austria shall, subject to the provisions of subparagraphs b) to e), exempt such income or capital from tax.

b) Where a resident of Austria derives items of income which, in accordance with the provisions of Articles 10, 11 and 12, may be taxed in Mongolia, Austria shall allow as a deduction from the tax on the income of that resident an amount equal to the tax paid in Mongolia. Such deduction shall not, however, exceed that part of the tax, as computed before the deduction is given, which is attributable to such items of income derived from Mongolia.

c) For the purpose of the credit referred to in subparagraph b) of this paragraph the Mongolian tax shall be deemed to be 10 per cent of the gross amount in the case of income referred to in Article 10 paragraph 1 subparagraph b), Article 11 paragraph 2, Article 12 paragraphs 2 and 3.

d) Dividends in the sense of subparagraph a) of paragraph 1 of Article 10 paid by a company which is a resident of Mongolia to a company which is a resident of Austria shall be exempt from tax in Austria, subject to the relevant provisions of the domestic law of Austria, however, notwithstanding any deviating minimum participation requirements provided for by that law.

(2) In the case of Mongolia, double taxation shall be eliminated as follows:

Where a resident of Mongolia derives income or owns capital from Austria the amount of tax that is payable in Austria in accordance with the provisions of this convention may be deducted from the Mongolian tax imposed on that resident. The amount of the deduction, however, shall not exceed the amount of the Mongolian tax on that income or capital computed in accordance with the taxation laws and regulations of Mongolia.

## **Article 25**

### **NON-DISCRIMINATION**

(1) Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.

(2) The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on

enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

(3) Except where the provisions of paragraph 1 of Article 9, paragraph 7 of Article 11, or paragraph 7 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State. Similarly, any debts of an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable capital of such enterprise, be deductible under the same conditions as if they had been contracted to a resident of the first-mentioned State.

(4) Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

## **Article 26**

### **MUTUAL AGREEMENT PROCEDURE**

(1) Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Convention, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 25, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Convention.

(2) The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Convention. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

(3) The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Convention. They may also consult together for the elimination of double taxation in cases not provided for in the Convention.

(4) The competent authorities of the Contracting States may communicate with each other directly, including through a joint commission consisting of themselves or their representatives, for the purpose of reaching an agreement in the sense of the preceding paragraphs.

(5) If it is not possible for the competent authorities to resolve difficulties or doubts arising as to the interpretation or application of the Convention in course of the mutual agreement procedure according to the preceding paragraphs of this Article within a time limit of two years from the date on which the procedure was initiated, the case shall be presented, upon application of all taxpayers concerned, to an

arbitration court by the competent authority of the Contracting State which has initiated the mutual agreement procedure. The arbitration court shall consist of one representative of each competent authority of the Contracting States and of one independent person from each Contracting State who shall be appointed from a list of arbitrators in the order of their ranking. The arbitrators shall elect another person as chairman who must possess the qualifications required for the appointment to the highest judicial offices in his country or be a juriconsult of recognized competence. Each State shall nominate five competent persons for the list of arbitrators. The taxpayer shall be heard before the arbitration court at his request. The arbitration court shall deliver its decision not more than six months from the date on which the matter was referred to it. The decision shall be binding with regard to the individual case on both Contracting States and all taxpayers concerned.

## **Article 27**

### **EXCHANGE OF INFORMATION**

(1) The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Convention. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Convention. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions. Even in such cases the confidentiality of person-related data may be waived only in so far as this is necessary to safeguard predominant and legitimate interests of another person or predominant public interests.

(2) In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

- a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (ordre public) or to the basic rights granted by a State, in particular in the area of data protection.

## **Article 28**

### **MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS**

Nothing in this Convention shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

*The following paragraphs 1 to 3 of Article 10 of the MLI apply and supersede the provisions of this Convention:*<sup>3</sup>

**ARTICLE 10 OF THE MLI – ANTI-ABUSE RULE FOR PERMANENT ESTABLISHMENTS  
SITUATED IN THIRD JURISDICTIONS**

**1. Where:**

- a) an enterprise of a Contracting State derives income from the other Contracting State and the first-mentioned Contracting State treats such income as attributable to a permanent establishment of the enterprise situated in a third jurisdiction; and
- b) the profits attributable to that permanent establishment are exempt from tax in the first-mentioned Contracting State,

the benefits of this Convention shall not apply to any item of income on which the tax in the third jurisdiction is less than 60 per cent of the tax that would be imposed in the first-mentioned Contracting State on that item of income if that permanent establishment were situated in the first-mentioned Contracting State. In such a case, any income to which the provisions of this paragraph apply shall remain taxable according to the domestic law of the other Contracting State, notwithstanding any other provisions of this Convention.

2. Paragraph 1 of Article 10 of the MLI shall not apply if the income derived from the other Contracting State described in paragraph 1 of Article 10 of the MLI is derived in connection with or is incidental to the active conduct of a business carried on through the permanent establishment (other than the business of making, managing or simply holding investments for the enterprise's own account, unless these activities are banking, insurance or securities activities carried on by a bank, insurance enterprise or registered securities dealer, respectively).

3. If benefits under this Convention are denied pursuant to paragraph 1 of Article 10 of the MLI with respect to an item of income derived by a resident of a Contracting State, the competent authority of the other Contracting State may, nevertheless, grant these benefits with respect to that item of income if, in response to a request by such resident, such competent authority determines that granting such benefits is justified in light of the reasons such resident did not satisfy the requirements of paragraphs 1 and 2 of Article 10 of the MLI. The competent authority of the Contracting State to which a request has been made under the preceding sentence by a resident of the other Contracting State shall consult with the competent authority of that other Contracting State before either granting or denying the request.

*The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of this Convention:*<sup>4</sup>

**ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE**

*(Principal purposes test provision)*

Notwithstanding any provisions of this Convention, a benefit under this Convention shall not be granted in respect of an item of income or capital if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of this Convention.

## **Article 29**

## **PROTOCOL**

At the moment of signing the Convention between the Republic of Austria and Mongolia with respect to taxes on income and on capital, the undersigned have agreed that the following provisions shall form an integral part of the Convention:

### **Interpretation of the Convention**

It is understood that provisions of the Convention which are drafted according to the corresponding provisions of the OECD Model Convention on income and on capital or the United Nations Model Double Taxation Convention between Developed and Developing Countries shall generally be expected to have the same meaning as expressed in the OECD or UN Commentaries thereon. The understanding in the preceding sentence will not apply with respect to any contrary interpretation agreed to by the competent authorities after the entry into force of the Convention. The Commentaries - as they may be revised from time to time - constitute a means of interpretation in the sense of the Vienna Convention of 23 May 1969 on the Law of Treaties. In case of any divergence in the interpretation as expressed in the commentaries of the OECD and the UN Model, a common interpretation would have to be sought by mutual agreement according to Article 26, if necessary.

### **Ad Article 24 paragraph 1, subparagraph c:**

It is understood that the provisions of that subparagraph will not apply if the form of a transaction giving rise for the application of those provisions was mainly chosen with a view to avoid taxes.

IN WITNESS WHEREOF the Plenipotentiaries of the two Contracting States, duly authorised thereto, have signed this Protocol.

DONE in duplicate in Vienna on the 3rd day of July 2003, in the English, German and Mongolian languages, each text being equally authentic. In the case of divergency between the texts the English text shall prevail.
